"Take Me Away"

take me away
so i might see your light and your glory
take me away
lead me astray
from this evil way
i want to see your glory
i want to see you glory

i lift my hands to you
i sing this song to you

take us away
so we might see
your love and your mercy
take us away
lead us astay
from this we all pray
we want to see your glory
we want to see your glory

i lift my hands to you
i sing this song to you
oh lord take this burden from me
oh lord, breathe your spirit in me
