"When The Day Is Over"

When the day is over
Love that's ever closer
So let it run and break into my life
Take my hand and cover me with love

When the fallen angel
Takes the final standing
And fades away so I can
See the light I'll walk on through and
Nothing pulls me down

Through the tears and
Battle cries I can feel your love
And the years of blood and
Pain Fade away, fade away

Memories unwanted
Dark the poison tasted
I'm sorry now so break into
My life O take my hand and
Cover me with love
