[Mos Def][Hook]

I-ya

I against I

flesh of my flesh

and mind of my mind

two of a kind but one won't survive

my images reflect in the enemies eye

and his images reflect in mine the same time

I-ya, I-ya

I against I

flesh of my flesh

and mind of my mind

two of a kind but one won't survive

[Mos Def]

Right here is where the end gon' start at

conflict, contact 'n' combat

fighters stand where the land is marked at

settle the dispute about who the livest

3 word answer

Whoever survive this

only one of us can ride forever

so you and I cant ride together

can't live or cant die together

all we can do is collide together

so I skillfully apply the pressure

won't stop until I'm forever... one!

A door step where death never come

spread across time til my time never done

and I'm never done

walk tall, why ever run?

when they move if I ever come?

bad man never fret the war, tell'em come

general we have the stock, the mad fire burn

[Mos Def][Hook]

[Mos Def]
Reign supreme in your U-N-I
V-E-R-S-E with the sharpness
narrow row building no space for partners
no space for drivers, no space for walkers
no space regardless
your on my path then get off it
hardheaded and unresponsive
get they lives put on target with harshness
come with the canons sparkin' they darken
who am i? one man squadron
Ma stir the fire this time that'd snatch your tomorrow
the thousand yard spear that'll pierce through your
armor
you can get it on right now if you want to
but when ya front 9 get marched through
I warned you
You know who forever belong to

[Mos Def][Hook]
