Thanks for the happy ever afters,
I missed the boat and I wonder,
Where it went wrong?
Where it went wrong?

Somewhere you're sleeping
And cotton clings to your skin
Where I should be,
But words and love were not enough
To have you here with me,
To have you here with me.

Casual armies of deceit,
You've perfected the art of insincerity
Or so I find, or so I find

Somewhere you're sleeping
And cotton clings to your skin
Where I should be,
But words and love were not enough
To have you here with me,
To have you here with me.

Somewhere you're sleeping
And cotton clings to your skin
Where I should be,
But words and love were not enough
To have you here with me,
To have you here with me.

Thanks for the happy ever afters,
