You've thrown yourself so easily,
Into someone else's arms, I'm wide awake
But suddenly the world has lost its charm

Don't say it's over yet - I'm too scared
Don't say that I'll be fine - that it's all matter of time

And so it is as it's meant to be
Floating as we go in loss of time,
No symmetry and you, you once were mine
Well I'm torn down but rescued, I'll follow any part
Cause sentence on sentence, these words will bring
you back

Don't say it's over yet - I'm too scared
Don't say that I'll be fine - that it's all matter of time

Don't say it's over yet - I'm too scared
Don't say that I'll be fine - that it's all matter of time
