There is a God 2000 years ago he left heaven and  
came to earth  
He was called Jesus Christ,  
He was born in poverty in a place called Bethlehem  
He grew up in a place called Nazareth  
little more than a bunch of caves  
He never did any of the things usually associated with  
greatness  
but for 2000 years he has been setting people on fire  
I wanna be a Heatseeker

Do You Wanna Be A Street Preacher?  
Are You Gonna be a Heatseeker?

This Jesus didn't only claim to be God  
He proved he was God  
He proved it by speaking the most amazing words any  
man has ever spoken  
He proved it by performing the most extraordinary  
miracles  
He really did put his hands on blind eyes and they  
could see,  
on deaf ears and they could hear  
He really did speak to a dead man and the dead man  
came back to life  
But most importantly he really did die  
on a cross and after 3 days rise from the dead and  
conquer sin and death once and for all  
He walked around for 6 weeks and then went back to  
heaven and  
left behind his Holy Spirit and said,  
"Go - go into all the world and preach the good news"  
I wanna be a Street Preacher

I'm overflowing with a passion like fire,  
Not Moving back but moving for the Messiah I'm gonna  
be,  
I'm gonna be,  
like a warrior preacher,  
Put on the armour like a true Heatseeker,  
Put on the peace it's good news

So we can win the battle and we can't lose  
You see me fighting in power  
getting louder  
Speaking life to the crowd  
Oh mighty God make me a preacher  
A Heatseeker - A Heatseeker
