Okay nerds.. Let's go!

Mom packs us a lunch and we're off to the school,  
They call us nerds 'cause we're so uncool.  
They laugh at our clothes, they laugh at our hair  
The girls walk by with the nose in the air.

So go ahead, put us down  
One of these days we will turn it around  
Won't be long, mark my words  
Time has come for Revenge of the nerds!

Revenge of the nerds  
Revenge of the nerds

We wear horn-rimmed glasses with a heavy duty lens  
Button down shirts and a pocket full of pens  
Straight A students, teachers' pets  
They call us nerds but with no regrets

So go ahead, put us down  
One of these days we will turn it around  
Won't be long, mark my words  
Time has come for Revenge of the nerds!

Revenge of the nerds (Nerds)  
Revenge of the nerds (Hahaha)  
Revenge of the nerds (Baah)  
Revenge of the nerds

(Nerds)While the jocks work out (Nerds) with the  
football team (Nerds)  
We're trying to score with the girl of our dream  
You know we ain't good looking but here's a surprise:  
Nerds are great lovers in disguise

So go ahead, put us down  
One of these days we will turn it around  
Won't be long, mark my words  
Time has come for Revenge of the nerds!

Revenge of the nerds  
Revenge of the nerds (Nerds!)  
Revenge of the nerds (Neerds)  
Revenge of the nerds (Hahaha)

So if they call you a dork, a spazz or a geek  
Stand up and be proud, don't be meak  
(Hey!)Beautiful people, haven't you heard?  
The joke's on you, it's revenge of the nerds

So go ahead, put us down  
One of these days we will turn it around  
Won't be long, mark my words  
Time has come for Revenge of the nerds!

Revenge of the nerds (Nerds!)  
Revenge of the nerds  
Revenge of the nerds (Who, me?)  
Revenge of the nerds  
Revenge of the nerds (Hahaha)  
Revenge of the nerds (Neerds)  
Revenge of the nerds (Baah)  
Revenge of the nerds
