Jesus your name is more than a name
It's given me hope, it's given me life
Jesus your name be lifted high
No other name but Jesus saves

Your name is higher, is higher
Your name is high above all
Your love is greater, is greater
Your name has conquered it all

Jesus your life, poured out for all
Ransomed my heart and rescued my soul
King over all, coming again
Death could not hold you, forever You reign
You reign

Nails couldn't keep you down
The grave couldn't keep you in
Hell couldn't keep you out
You reign... You reign (4Xs)

Whoa Whoa yeah
Your name is Higher!
