"Never Look Back"

Hope in Your hands
Redemption Your plan
You sent Your son
To do what I can't
Love nailed You down
Forever Your crowned
You have saved us all

We will follow You to the cross
Where Your love redeemed the lost
You have given endless hope
And we will, never look back
Never look back, no
We'll never look back

Empty made whole
The broken restored
Saved by the son
We sing of Your love
Let our praise rise
And brake through the skies
To the holy one

It was love that saved us
Through Your cross you freed us
And by Your grace you have changed us
It was love that saved us
