Vs1

Fearless one
You have overcome
God of victory
To You creation sings

Pre Chorus

You have broke in
Stole my heart
So I could break out
Free from sin

Here it goes
Giving all the praise
I'll dance and shout

Chorus

No love greater than yours
There's not one love greater than yours
No love greater than yours Jesus

Whoa

Vs2

None compare
To your righteousness
Justice in your hands
Darkness cannot stand

Bridge

This is the thing I know
I can't deny Your love
Nothing can separate me
Your irreplaceable
