Amazing love You gave it all
You took the place of sin
You tore the veil for my wrong
No greater love have I known
And all will see Your love inside of me
And all will see Your love inside of me

The power of Your love
Has saved me
The power of Your love
Restored me
The power of Your love
Never fails me
Your love is all I need Jesus

Matchless love You rescued me
Was bound but now I'm free
Once was lost and now I'm home
No greater love have I known
And all will see Your love inside of me

The power of Your love
Has saved me
The power of Your love
Restored me
The power of Your love
Never fails me
Your love is all I need Jesus

I'll go, I'll show the power of Your love
The world will know the power of Your Love
[x4]

The power of Your love
Has saved me
The power of Your love
Restored me
The power of Your love
Never fails me
Your love is all I need Jesus
Your love is all I need Jesus

Your love is all I need Jesus

I'll go, I'll show the power of Your love
The world will know the power of Your Love
[repeat]
