She can play the boss
Maybe am I lost
I say f*ck whatever cost
Hell, I got my doll
And I can't put her down
But she likes to get around

And let me tell you
If it's money that drives you crazy baby
I can give you all my pennies
Fame that you're craving baby
You can be on cover pages

I know you're holding
Aces but I'm not folding now
There is too much sh*t down.
Oh I know you're holding
Aces but I'm not folding now
I got too much down.
Put your aces down.

She can play the queen
Yeah the diva's on the scene
She's just gambling my dreams
But I got my doll
It took time to get her down
Yeah the king needs a crown.

Let me tell you
If it's jewels that drive you crazy
I'll buy diamonds with my pennies
Fame that you're craving baby
Everyone will know your name
Cause lately

I know you're holding
Aces but I'm not folding now
There is too much sh*t down.
Oh I know you're holding
Aces but I'm not folding now
I got too much down.

Put your aces down.

Put your aces down (Changing you)

Put your aces down (Changing you)

Put your aces down (Changing you)

(Changing you...)
