Seventy seven million dollars made
From watchin' me cum under the sun
On my vacation (after hours on Spectravision) shootin'
My jizzy jizzum the woody
Has rissy rizen I ain't gettin'
Paid to entertain your birthday showers
Rockin my porno tapefor hours n hours
Clitoris's are fearin me it's bigger than Ron Jeremy

[Fred Durst]

Cause it's them ass cheeks that meake my ass weak
And I've been runnin' with the blueballs since last week
And if you ask me I'll be glad to speak until we get butt
naked
And break it down with NASTY!

[Lil' Kim] (Tommy Lee)
