"Disturbing The Peace"

Screaming out
Infected minds
Infected by society

Reject the weak
Infiltrate
Progressive human disorder - Progressive human
disorder

[CHORUS (x2):]
I cannot control - Overcome
Disturbing the peace

Morality
Overdue
Imposed by insanity

Legions hide
Underground
Impressive chaos and order - Impressive chaos and
order

[CHORUS x2]

[SOLO]

Screaming out
Infected minds
Infected by society

Legions hide
Underground
Progressive human disorder - Impressive chaos and
order

[CHORUS x2]
