We never met, you and I
We were always inside, we were somewhere inside one
another.
And I'll live without you love,
But what good is one glove, without the other?

Still you only ask about my leaving,
But honey I had no choice,
And I call (and when you hear that heavy breathing)
For the sound of your voice.

But you sit there silent, folded arms
And look down as I walk by
My face has changed, you know it's me
You know by the stillness in my eyes.
Come and whisper in my ear, "You're very pretty, dear"
and..and
"It'll be alright." You're lying!
But I don't mind tonight.

So I wander and I wander
Your absence beating inside my chest
And I try but I can't remember
The color of your eyes- JUST THE SHAPE OF YOUR
DRESS!

And through a garden overgrown
Oh, it's a long walk home.
I said I'd not come back, well I'm coming back-
And you'd better be alone.

You sit there silent, folded arms
And you smile, as I walk by
My face has shamed, But you know it's me, YOU KNOW
it's ME!
Come and whisper in my ear, "my dear! my dear!"
"it'll be alright...
It'll be alright...
It'll be alright...
It'll be alright...
It'll be alright..."

It'll be alright."
No!NO!!
