Why do they make it hard to love you?
Why can't they even start to try?
'Cause now I feel the bridge is burnin', oh oh
And all the smoke is in my eyes, oh oh

I realize I never let them know me
I always wanted to be right
Took a mistake to really show me, oh oh
Exactly what they were like

I've been wrong but I've been changin'
I've been wonderin' what to do?
Here I am alone and waitin'
For you

Why do I try to make them happy?
Why am I always playin' nice?
It isn't easy tryin' to tell you, oh oh
Exactly what's on my mind

I've been wrong but I've been changin'
I've been wonderin' what to do?
Here I am alone and waitin'
For you

I've been wrong but I've been waitin'
For you

I've been wrong but I've been changin'
I've been wonderin' what to do?
Here I am alone and waitin', waitin'
For you
