You're not sure that you love me
But you're not sure enough to let me go
Baby it ain't fair, you know
To just keep me hanging 'round

You say you don't want to hurt me
Don't want to see my tears
So why are you still standing here
Just watching me drown?

And it's alright, yeah I'll be fine
Don't worry about this heart of mine
Just take your love and hit the road

There's nothing you can do or say
You're gonna break my heart anyway
So just leave the pieces when you go

Now you can drag out the heartache
Baby you can make it quick
Really get it over with
And just let me move on

Don't concern yourself
With this mess you left for me
I can clean it up, you see
Just as long as you're gone

And it's alright, yeah I'll be fine

Don't worry about this heart of mine
Just take your love and hit the road

There's nothing you can do or say
You're gonna break my heart anyway
So just leave the pieces when you go

You're not making up your mind
It's killing me and wasting time
I need so much more than that
Yeah, yeah, yeah, yeah, yeah

And it's alright, yeah I'll be fine
Don't worry about this heart of mine
Just take your love and hit the road

There's nothing you can do or say
You're gonna break my heart anyway
So just leave the pieces when you go
Leave the pieces when you go
Oh yeah, leave the pieces when you go

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah yeah, yeah
Leave the pieces when you go
