No one here gets out alive
Pushing power in overdrive
Cobra kings wet and wild
Love the devil thats in your smile

Let me tell you
what we been doing
Neon angels on the road to ruin
Let me tell you
what we been doing
Neon angels on the road to ruin

Everybody who's ever on fire
Now's the time
for our desire

Let me tell you
what we been doing
Neon angels on the road to ruin
Let me tell you
what we been doing
Neon angels on the road to ruin

Highways hard in this modern world
Battered boys and shattered girls
Leather bombers that rule the streets
Setting fires and living heat

Let me tell you
what we been doing
Neon angels on the road to ruin
Let me tell you
what we been doing
Neon angels on the road to ruin
