Do you hear me?
Are you listening?
I've been trying
It's like I'm calling
Into nothing
You don't even try to care
It's like I'm not even here

But I've got so much
To give back to you
My words don't move you
It's just a matter of time, yeah

'Til you memorize me
You're gonna know my name
You're gonna memorize me
You're gonna know my name
So pick me out, break me off
That's what you'll need because
I'm all that you're gonna see
You're gonna memorize me
Memorize me

You're gonna memorize me
You're gonna know my name
You're gonna memorize me
You're gonna know my name

Do you see me?
I mean really see me?
I'm right there on the tip of your tongue
I'm the one that you want, just admit it
And you'll get it

I've got so much
To give back to you
My words don't move you
It's just a matter of time, time

'Til you memorize me
You're gonna know my name

You're gonna memorize me
You're gonna know my name
So pick me out, break me off
That's what you'll need because
I'm all that you're gonna see
You're gonna memorize me
Memorize me

You're gonna memorize me
You're gonna know my name
You're gonna memorize me
You're gonna know my name
