Ohoh, Mm
I don't know how we fell into this empty room
You call on time, but never too soon
I try to memorize what I wanna say
But when I'm with you all my words slip away

I wonder why it's gotta be like that
Why's it gotta be like that?
So there is one thing that I need to ask

If I fall
If I fall
Will you be around?

If I fall
If I fall
Will you catch me before I
Hit the ground
Breaking down
With my heart, if I crash and burn
(Will you be there?) Will you be there
If I fall?

I always stood by you when I knew you were wrong
If you found out I'd pick you up carry on
I never skipped a beat when you fall out of place
But now I'm trippin' and I need lil' faith

So tell me why it's gotta be like that
Oh, (Like that)
There is one thing that I have to ask

If I fall
If I fall
Will you be around?
If I fall
If I fall
Will you catch me before I
Hit the ground
Breaking down
With my heart, if I crash and burn
(Will you be there?) Will you be there

If I fall?

It's getting harder

'Cause I always to save the day

I need to know that you'll be there to meet me Halfway

'Cause baby if I

If I Fall (Oooh)

If I Fall (Hey-yeah)

(If I fall, If I fall...)

If I fall

If I fall

Will you be around?

If I fall

If I fall

Will you catch me before I

Hit the ground

Breaking down

With my heart, if I crash and burn

(Will you be there?) Will you be there

(Will you be there?) Will you be there

If I fall?
