Talk Show Host - Radiohead

I want to  
I want to be someone else or I'll explode  
Floating upon this surface for the birds  
The birds  
The birds

You want me?  
Fucking, well come and find me  
I'll be waiting  
With a gun and a pack of sandwiches

And nothing  
Nothing  
Nothing  
Nothing

You want me?  
Well, come on and break the door down  
You want me?  
Fucking come on and break the door down

I'm ready  
I'm ready  
I'm ready  
I'm ready

I'm ready  
I'm ready
