(Chorus)

I'm back

I'm back in the saddle again

I'm back

I'm back in the saddle again

Ridin' into town alone

By the light of the moon

I'm looking for ol Suki Jones

She crazy horse saloon

Barkeep gimme a drink

That's when she caught my eye

She turned to give me a wink

That make a grown man cry

(Chorus)

Come easy, go easy

All right until the rising sun

I'm calling all the shots tonight

I'm like a loaded gun

Peelin' off my boots and chaps

I'm saddle sore

Four bits gets you time in the racks

I scream for more

Fools' gold out of their mines

The girls are soaking wet

Not tounge's drier than mine

I'll come when I get back

I'm back in the saddle again

I'm back

I'm back in the saddle again

I'm riding, I'm loading up my pistol

I'm riding, I really got a fistful

I'm riding, I'm shining up my saddle

I'm riding, this snake is gonna rattle

(Chorus)

Ridin' high

Ridin' high

Ridin' high already
