I ain't got a fever got a permanent disease
It'll take more than a doctor to prescribe a remedy
I got lots of money but it isn't what I need
Gonna take more than a shot to get this poison out of
me
I got all the symptoms, count 'em 1,2,3
First you need
That's what you get for falling in love
Then you bleed
You get a little but it's never enough
On your knees
That's what you get for falling in love
And now this boy's addicted cause your kiss is the drug
Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
There ain't no doctor that can
Cure my disease
Bad, bad medicine
Bad, bad medicine
I don't need no needle
To be giving me a thrill
And I don't need no anesthesia
Or a nurse to bring a pill
I got a dirty down addition
That doesn't leave a track
I got a jones for your affection
Like a money on my back
There ain't no paramedic
Gonna save this heart attack
When you need
That's what you get for falling in love
Then you bleed
You get a little but it's never enough
On your knees
That's what you get for falling in love
Now I'm addicted and your kiss is the drug
Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
So let's play doctor, baby

Cure my disease
Bad, bad medicine
Bad, bad medicine
Solo
I need a respirator cause I'm running out of breath
You're an all night generator wrapped in stockings and
a dress
When you find your medicine you take what you can
get
Cause if there's something better baby well they
haven't found it yet
Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
There ain't no doctor that can
Cure my disease
Your love is like bad medicine
Bad medicine is what I need
Shake it up, just like bad medicine
Your love's the potion that
Can cure my disease
Bad, bad medicine
Bad, bad medicine
