It's all the same, only the names will change

Every day it seems we're wasting away

Another place where the faces are so cold

I'd drive all night just to get back home

Chorus:

I'm a cowboy, on a steel horse I ride

I'm wanted dead or alive

Wanted dead or alive

Sometimes I sleep, sometimes it's not for days

And the people I meet always go their separate ways

Somet imes you tell the day by the bottle that you drink

And times when you're alone all you do is think

Chorus

I walk these streets, a loaded six string on my back

I play for keeps, 'cause I might not make it back

I been everywhere, still I'm standing tall

I've seen a million faces and I've rocked them all

I'm a cowboy, on a steel horse I ride

I'm wanted dead or alive

I'm a cowboy, I got the night on my side

I'm wanted dead or alive

Wanted dead or alive
