Come on (Jericho)
You know I got ya (yeah, one)
Break the wall down! (Ahhh) (Break down the walls!)
For those about to rock
What ya want?
And even though you're Judas
And I'm your priest
Baby what I got is not from the least
Bring it to the stage in the rage of the beast
Step in the arena and break the wall down
Step in the arena and break the wall down
Awaken from a deep sleep
You're all weak
You're living in the agony of defeat
I am the master of your whole heap
I am the pasture flock ya like sheep
Step into the town and break the wall down
Your heartbeat is the only sound
Step into the light and then ya know
You were stopped and dropped by the walls of Jericho
What ya gonna do?
Throw me down, Feel me now
(Feel me now) Break the wall down (Jericho)
For those who about to rock
Start to rock
For those who bounce the joke
I'm all pump
For those about to go
Watch me slow
Break down the walls of Jericho
