The job is done the lights go out  
Another boring day  
The roaring silence in my ears  
So many worlds away  
I meet my girl, she's dressed to kill  
What are we gonna do  
Let's walk around to catch the thrill  
on streets we call the zoo

CHORUS:

Let's eat the night, let's drink the blood  
Make all your dreams come true  
And hungry eyes are passing by  
On streets we call the zoo  
(x2)

SOLO

Enjoy the zoo  
And walk down 42nd Street  
You wanna be excited too  
You will feel the heat  
REPEAT CHORUS
