[Heatbeat...]

[Chorus 2x]

So you wanna be a thug superstar and live hard

[Just another victim]

[B-Real]

Growing up in these streets of brooklyn

Out here in the hook where ya world gets shook

Thug life's a tough one, my life's a tough one

Don't make me have to reach out and touch one

I'll break ya frame up, turn the flame up

Run ya name up, cuz you're a lame duck

The tazzmission leads you to submission

You're just another victim, here to rock the friction

I want it all and if it's lead through you

I'm gonna get mine, So you know my name

Be aware cause the mood's about to change!

[Chorus 4x]

[B-Real]

Let me tell ya exactly what will happen

When I choke punks out and people start clappin

Switch into mega phase and feel the rage

Of a psycho destroyer that you can't just take

Down for the count cause I just won't let it

I'm here to break bones, Ring the bell, And let's get it

Arm for the strong just like gladiators

Rip out ya spine like the second terminator

Haters ain't got no time for the tactics

I can see through you and the child like tactics

No advances, No chances, Oppositions get a beat
down

[Beat him down, dog]

[Chorus 4x]

[B-Real]

I got no friends, No allies, Hell rises quick

No love for nothing of you, Cuz you despise my trip

Keep your distance, I don't need your assistance

Cuz I'm built to last, And made for resistance

The pitbull territer, Bone crusher

When I lock on y'all, You scream like a busta

Cuz that's the only way we know out here

When you're a thug, You're always taught to show no

fear
My flow hit em dead, Him with anybody, And I'll make
sure
That none of these son of a bitches get up
Gonna get mine, So you know my name, Beware
Cause the mood's about to change
[Chorus 4x]
