Yeah

Bringing you another disturbing creation  
From the mind of one sick animal  
Who can't tell the difference  
And gets stupified

I've been waiting my whole life for just one fuck  
And all I needed was just one fuck  
How can you say that you don't give a fuck?

I find myself stupified coming back again

All I wanted was just one fuck  
One tiny little innocent fuck  
And when I feel like I'm sheered out of luck  
I find myself stupified, coming back again

Why, do you like playing around with  
My narrow scope of reality?  
I can feel it all start slipping  
I think I'm breaking down

Why do you like playing around with  
My narrow scope of reality?  
I can feel it all start slipping away

See but I don't get it  
Don't you think maybe we can put it on credit?  
Don't you think it can take control when I don't let it?  
I get stupified

It's all the same you say, live with it  
But I don't get it  
Don't you think maybe we can put on credit?  
Don't you think it can take control when I don't let it?  
I get stupified

I get stupified!

All the people in the left wing rock  
And all the people in the right wing rock

And all the people in the underground rock

I find myself stupified, coming back again

All the people in the high rise rock

And all the people in the projects rock

And all la hente en el barrio rock

I find myself stupified, coming back again

Don't deny me

Oh baby now, don't deny me

And darling don't be afraid

Look in my face stare in my soul, I begin to stupify
