[Dr. Dre]

Journey with me  
into the mind of a maniac  
doomed to be a killer  
since i came out the nutsac  
im in a murderous mindsate  
with a heart full of terror  
i see the devil in the mirror  
BUCK BUCK, Lights out  
cause when i get my sawed off  
niggaz get hauled off  
\*Barrel one  
touches your motherfuckin flesh  
\*Barrel two  
shoots your fuckin heart out your chest  
you see Im quick to let the hammer go click  
on my Tec-9 so if you try to reck mine  
fool its your bad time  
feel the blast of the chocolate bomber  
Infra red aimed at your head  
like your name was Sarah Conner  
decapitatin I aint hesitatin  
to put you in the funderal home  
with a bullet in your dome  
Im hot like lava  
you got a problem?  
I got a problem solver  
and his name is revolver  
its like a deadly game of freeze tag  
I touch you with a 44 mag  
and your frozen inside a boddy bag  
nobody iller  
than this grave yard filler  
cap peeler  
cause im a natural born killa

[Ice Cube]

Terror illistrates my era  
now i cant hang around my momma  
cause i scare her  
Im quick to blast motherfucker  
(yeah whats up)

it feels like im bustin a nut  
when i open you up  
cause your body is exposed to the midnight mist  
all you weak motherfuckers give my ring a kiss  
cause im givin dirt naps  
comin with them bomb ass raps  
to make your lungs collapse  
perhaps, you never sleep  
cause evertime you doze  
you catch blows to the motherfuckin nose  
aint seen the sun, in 66 days  
let me count the ways ^in a fucked up maze^  
I never ever ever made a ho stay  
but Im down with Dre  
like AC is down with OJ  
so fuck how your livin  
Im the unforgivin  
psycho drivin  
murdera  
its authentic  
dont panic  
i cant stand it  
God Damn it  
Scizophrenic  
so FUCK CHARLIE MANSON  
Ill snatch him out of his truck  
hit em with a brick  
and I'm dancin  
[RBX]  
Mass Murderer, Natural Born Killla,  
And I dont wanna die  
I DONT WANNA DIE  
I DONT WANNA  
I DONT WANNAAAAAAAAAAAAAAAAAAAAAAAA DIE!  
[Ice Cube]  
I dont understand the logic in my dreams  
but i understand i like the sound of Sireens  
terrified screams from the streams  
of Strycnine  
dumpin on any motherfucker tryin to trick mine  
cause motherfuckers wanna violate  
now they stiff and cold  
and they pupils wont dialate  
ITS SO MUCH PAIN  
MIGRAINE  
headache  
I can hear his bones break  
he steps in the single door  
gets his ass whipped with 20 lashes  
like that dude up in Singapore  
so Im a pull a fuckin Jeffrey Dahmer

now Im suicidal, just like Nirvana  
[Dr. Dre]  
Tic Toc  
Toc Tic Toc Tic  
Dr Dre and Ice Cube on some murderous shit  
keepin niggaz in order  
makin there live shorter  
ready to slaughter  
cause to me a life aint worth a quarter  
or a dime  
mushroom's got my mind  
hallicinatin  
aint no debatin  
im creatin an escape  
route to be out without a doubt  
Scot Free, so dont even think about tryin to stop me  
cause i cant wait  
im out the gate  
on the for realla  
a thrilla  
or a natural born killa  
[Ice Cube]  
GI-GI GI-GI GAGA  
THEY CALL ME DADA  
6 million ways to murder  
choose one  
lose one soul  
bodies turn cold  
natural fright from niggaz goin bump in the night...
