In order to dance the bamba  
In order to dance the bamba  
You need a bit of grace  
A bit of grace  
For you I will be  
for you I will be  
I'm not a sailor  
I'm not a sailor  
I'm captain  
I'm captain  
Dance the bamba  
Dance the bamba  
no, no, no  
Dance the bamba  
Dance the bamba  
In order to dance the bamba  
In order to dance the bamba  
You need a bit of grace  
A bit of grace  
For you I will be  
for you I will be  
Dance the bamba, hey  
Dance the bamba  
no, no, no  
Dance the bamba  
Dance the bamba
