You think you know me (Echo)
You think you know me
You think you know me
You think you know me
You think you know me
You will never know me
You are lost, and scared
You know what I allow you to know
You know, You know You know what I allow you to know
Your just a puppet
You think you know me
You think you know me
You think you know me
You think you know me
You will never know me
You are lost, and scared
You know what I allow you to know
You know, You know You know what I allow you to know
Your just a puppet
You think you know me
You think you know me
You think you know me
You think you know me
You will never know me
You are lost, and scared
You know what I allow you to know
You know, You know You know what I allow you to know
Your just a puppet
You think you know me
You think you know me
You think you know me
You think you know me
You will never know me
You are lost, and scared
You know what I allow you to know
You know, You know You know what I allow you to know
Your just a puppet
You think you know me
You think you know me
You think you know me
You think you know me

You will never know me
You are lost, and scared
You know what I allow you to know
You know, You know You know what I allow you to know
Your just a puppet
