The Wrens - Miss Me

everyone was talking
about the minutes
that you walked into the room
and how you made them listen
to you bitching
and your leaving me real soon
i don't wanna hear you miss me, miss me
i don't wanna hear you talk about it
i don't wanna hear you miss me, i don't, i don't wanna
you miss me now, you messed me up
you miss me, miss me now
you messed me up, you miss me

thought he was so perfect
yeah you noticed the sucker i'd become
then i hear through your best friends
that your sick off me, i'm not the only one
everone said it's over, tough
everone said it's over, tough
but i was not listening
until you called me up that night
told me that you had to say, goodbye

and i don't want to hear a word about you
the shit your going through
your going to find, your going to find, you, you
you miss me now, you mest me up
you miss me, miss me now, you messed me up
you miss me, miss me now, you messed me up
you miss me, miss me now, you messed me up
you miss me, you miss me

don't know what you got on me
i'll even it, just you wait and see, yeah
that i get my way with you
then we'll see exactly who left who
and i don't wanna hear you miss me, miss me
i don't wanna hear you talk about us
i don't wanna hear you miss me, i don't, i don't wanna
you miss me now, you mest it up

you miss me, miss me now, you mest me up
you miss me, miss me now, you mest me up
you miss me, miss me now, you mest me up
you miss me, you miss me
