Time To Shine
Tamela Jones
(Tamela)

Verse1- Baby, you thought I'd never make it but now
you see how I'm doin' this. And I'm so proud of it. Your
words mean to me nothing.

Chorus- It's my Time To Shine. You know I got great
timin'. I'm gonna have fame in this world. 'Cause I'm
one lucky girl.

Verse2- Now, I'm in the spotlight. And one can take
nothing that's mine. I've got the crowd in the air. So,
don't even go there.

Chorus

bridge- So, what you gotta say now. You can't do
anything no way, no how. Now who else you talk about,
huh. 'Cause you can't say nothing about Tamela.
