Oh, baby
You just don't know what you tell me
Hey...

No one has ever made me feel this way, uh
No one has ever made me feel such ecstasy
No one has ever made my body shiver and shake
Make me scream out your name
Sendin' this here felt much as fate

Only you (Babe) know how to love me right (Ooh)
Only you know how to do the things I like
Only you know how to love me right
Only you know what I like
Only you can love me right

Some have tried to satisfy my needs, yeah
Some have tried but very few could ever succeed
Some have tried and tried to do most everything
Though they gave all they got, it was you that hit the
spot

Only you (Babe) know how to love me right
Only you know how to do the things I like
Only you know (Hey) how to love me right (Know how to
love me right)
Only you know what I like (Only you)
Only you can love me right (Oh, yea)

Hoowhat a feelin' that you're givin'
That your givin' to me
See, I find it hard, so hard to believe
And I just don't know, if you know what I mean
To have someone who knows how to love me
Knows how to love me exactly

Only you (Only you) know how to love me right (Know
how to love me
right)
Only you (Hoo) know how to do (Mmm) the things I like
(Uh-huh)

Only you (Hey, babe) know how to love me right (Only
you)
Only you know what I like (Hey)
Only you can love me right

(Only you) Only you know how to love me right (Know
how to love me
right)
Only you (Yeah) know how to do the things I like (How,
how, how, ooh)
Only you (Oohoooh) know how to love me right (Hey,
baby)
Only you know what I like (Oh...oh...mmm...)
Only you can love me right (Oh...baby)

Only you know how to lo
