chorus:

how you gonna do me like this?  
Why you wanna do me like that?  
How you gonna do me like this  
Why you wanna do me, do me, do me like that  
Baby can we sit and talk  
theres something on my mind and i jus cant shake it  
off  
everytime we make love  
passion is not the thing that runs between us

I wanna feel like i can reach the mountains  
workin on me  
just give me all your lovin you gotta be real  
when youre makin love to me  
you know what to do, dont want ya holdin back on me

(chorus)

everytime we make love  
i'll make sure that i please ya in every way  
everytime you want more  
ill take you round the world fulfill your needs

i wanna feel the love emotions runnin workin on me  
just make my body shiver ya gotta be real  
when youre makin love to me  
you know what to do dont want ya holdin back on me

(chorus)

wont you hold me squeez me in ya arms (like this, like  
that)  
so wont ya make love to me all night long (like this like  
that)

that)
