I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out as friendship has grown stronger
I only wish I had the strength to let it show

I tell myself that I can't hold out forever
I said there is no reason for my fear
'Cause I feel so secure when we're together
You give my life direction
You make everything so clear

And even as I wander
I'm keeping you in sight
You're a candle in the window
On a cold, dark winter's night
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars, forever

'Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby, I can't fight this feeling anymore

And if I have to crawl upon the floor
Come crashing through your door
Baby, I can't fight this feeling anymore
