I don't mind and I don't care
Not fussed I'll beat no bush let's not split hairs
I don't care, I don't mind it doesn't bother me
Let's waste not time
Rocks and papers scissors yeah
We're selling off all your home wares
Two up marble down ball make up your mind
Your gonna take it

I, can't stand to be without you
TRIED, I try to live without you
TIME, to get along without you
I CRIED, when Big Ben says 'now it's time to go'

You don't mind, you don't seem to care
Can't mend your actions with a stare
Chewing fat spiked with lies
Well now he rests his hands in you're thigh
Why is it that you can be so blind?
Thought that you had your own spine
At least I thought you could use mine
Stop yourself, look down, but there is no...

TRIED, I try to live without you
I, can't stand to be without u
I CRIED, when Big Ben says 'now it's time to go'
