"Fallin'"

Visit "[Fallin'](#)" on MotoLyrics.com

I've been lying to myself every day
Telling myself that I'm never alone
I see through the lies that everyone makes
And the truth just tears me apart

Cause when I open my eyes,
I seemed to finally realise,
That no one's gonna stand by me
Your true intentions are so clear

I'm Fallin', Oh fallin'
Alone & down forever,
Into this abyss
I'm Fallin', Oh fallin'
Down, down, down

And no one's bothered to help

There's no mistake in the looks of your eyes
That I just don't belong or fit in
Don't lie to me just give me the truth
That mask you wear is helping no more

Cause when I take a look around
I'm the only one who's down
Isn't everyone smiling right now?
I'm not gonna wear this mask no more

I'm Fallin', Oh fallin'
Alone & down forever,
Into this abyss
I'm Fallin', Oh fallin'
Down, down, down

I'm Fallin', Oh fallin'
Alone & down forever,
Into this abyss
I'm Fallin', Oh fallin'
Down, down, down

Just stop lying to me
