I never thought that it would come to this,  
I never thought that you would ever try to tear my world  
apart,  
Turn it upside down.  
Was it something that I said to you?  
Was there something that I could have done to make it  
all work out,  
Turn everything around.  
And then I knew it was finally over,  
When you tried to take control of my life.  
Now all I know, is that...  
I - don't wanna play your mind games.  
I - don't wanna drive you insane.  
I - don't wanna play your mind games.  
I - don't wanna know you anymore.  
You always tried to tell me what to do,  
You never thought that I would ever stand up to your  
selfish games,  
While you just stood there calling names.  
And now my hands are tied behind my back,  
And there is nothing I can do to try to get you back  
again,  
Get you on my side.
