Well I don't know what you think we do with our time
Do you think we don't know what's wrong or what's
right?
Do you think that we're not all there just because of how
we cut our hair?
You treat us like we're living worthless lives

And so you think you've got us cornered know if you
think you've got us figured out
Well it won't be long before you hear us shout
I don't wanna be
A SECOND CLASS CITIZEN!
How can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!
Anymore
No I don't wanna be
A SECOND CLASS CITIZEN!
So how can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!
Anymore, not anymore

No!

Governments making new laws all of the time
Try to tell 'em that being young's not a crime
We try to tell 'em but they just don't care
This fucked up system's so unfair
Pretty soon we won't have any rights

And if you think you've got us cornered know if you
think you've got us figured out
Well it won't be long before you hear us shout
I don't wanna be
A SECOND CLASS CITIZEN!
How can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!

Anymore
No I don't wanna be
A SECOND CLASS CITIZEN!
So how can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!
Anymore, not anymore

Well I don't know what they think we do with our time
Try to tell 'em that being young 's not a crime
We try to tell 'em but they just don't care
This fucked up system's so unfair
You treat us like we're living worthless lives

And so you think you've got us cornered know well you
think you've got us figured out
Well it won't be long before you hear us shout
I don't wanna be
A SECOND CLASS CITIZEN!
How can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!
Anymore
Hey I don't wanna be
A SECOND CLASS CITIZEN!
So how can you call me
A SECOND CLASS CITIZEN!
No I don't want to be
A SECOND CLASS CITIZEN!
Anymore, not anymore

No!

I don't wanna be
I don't wanna be
I don't wanna be
I don't wanna be
I don't wanna be
I don't wanna be
I don't wanna be
I don't wanna be
