Intergalactic Planetary Planetary Intergalactic Another  
Dimension

Don't you tell me to smile

You stick around I'll make it worth your while

Got numbers beyond what you can dial

Maybe it's because I'm so versatile

Style profile I said

It always brings me back when I hear Ooh Child

I run the marathon just up until the very last mile

If you battle me I will revile

People always say my style is wild

You've got gall you've got guile

To step to me I'm a rapophile

If you want to battle you're in denial

Coming from Uranus to check my style

Go ahead put my rhymes on trial

Cast you off into exile

Intergalactic planetary

Planetary intergalactic

Jazz and Awol that's our team

Step inside the party disrupt the whole scene

When it comes to beats well I'm a fiend

I like my sugar with coffee and cream

Got to keep it going keep it going full steam

Too sweet to be sour too nice to be mean

On the tough guy style I'm not too keen

To try to change the world I will plot and scheme

Mario C likes to keep it clean

Gonna shine like a sunbeam

Keep on rapping cause that's my dream

Got an A from Moe Dee for sticking to themes

When it comes to envy y'all is green

Jealous of the rhyme and the rhyme routine

Another dimension new galaxy

Intergalactic planetary

Intergalactic planetary

Planetary intergalactic

From the family tree of old school hip hop

Kick off your shoes and relax your socks

The rhymes will spread just like a pox

Cause the music is live like an electric shock

I am known to do the Wop

Also known for the Flintstone Flop  
Tammy D getting biz on the crop

When I wrote graffiti my name was Slop  
If my rap's soup my beats is stock  
Step from the tables as I start to chop  
I'm a lumber jack DJ Adrock  
If you try to knock me you'll get mocked  
I'll stir fry you in my wok  
Your knees'll start shaking and your fingers pop
