Are You Ready
You think you can tell us what to do
You think you can tell us what to wear
You think you're better
Well you better get ready
Bow to the masters

Break it down!

Degenerate into something fool
We just got tired of doin' what ya told us to do
That's a breaks boy, Yeahhhh
Ah, That's a breaks little man, Break it down

Degeneration X, Degeneration

Say you can tell me what to do
Ya know who your talkin' to

Well you better get used to the way the ball bounces
I see what ya got, it measures in ounces
But that's a breaks boy, Yeahhhh
That's a breaks little man, Break it down
Degeneration X, Degeneration

Think you're a big man (Ha Ha Ha Ha Ha Ha)
Treat you like you're a little man
(Yeaf!!! Break It Down!!!)
Yo, tell me what it's like to be half a man
It must break your heart to see what I am, but
That's a breaks boy, Yeahhhh
That's a breaks little man, Break it down

Degeneration X, Degeneration

Say you can tell me what to do
Ya know who your talkin' to

Just stop, wanted me, to be, someone else
Put away like a book on a shelf, That
You can read boy, Yeahhhh
That you can read little man
