Five fingers crawl  
Around your neck  
The more you live  
The more they take  
The more you breath  
The more they want  
Five fingers cross  
Upon your face  
You leave me cold  
Couldn't pay the price  
You leave me cold  
Cold as the...  
Some have to have  
Some like to bleed  
The more they take  
The more you need  
Some have to have  
Some like to bleed  
The more they take  
The more you need  
You leave me cold  
You leave me cold  
Five fingers crawl  
Around the room  
The more you want  
It seals your doom  
The more they take  
Extends your pain  
Five fingers crawl  
And end the game  
You leave me cold  
Couldn't pay the price  
You leave me cold  
Cold as the...  
Some have to have  
Some like to bleed  
The more they take  
The more you need  
Some have to have  
Some like to bleed  
The more they take  
The more you need

You leave me cold  
Couldn't pay the price  
You leave me cold  
Cold as the night  
You leave me cold  
You leave me cold  
You leave me cold  
You leave me cold  
You leave me cold  
You leave me cold  
You leave me cold
