If you mess with me, you've got no chance  
No chance in hell!  
You've got no chance  
If you mess with me, you've got no chance  
No chance in hell!  
You've got no chance

Welcome to my world (my world)  
This world I've made (I've made)  
How I love my world (my world)  
In my world, I'll break your face

This is my world  
This is my world  
And if you mess with me, you've got no chance  
No chance in hell!  
You've got no chance  
If you mess with me, you've got no chance  
No chance in hell!  
You've got no chance

Welcome to my world (my world)  
My world's a stage (a stage)  
Look at all my fantasies  
Feel all my p-p-pain  
This is my world  
This is my world  
And if you mess with me, you've got no chance  
No chance in hell!  
You've got no chance  
If you mess with me, you've got no chance  
No chance in hell!  
You've got no chance

This is my world  
This is my world  
And if you mess with me, you've got no chance  
No chance in hell!  
You've got no chance  
If you mess with me, you've got no chance  
No chance in hell!  
You've got no chance
