In order to dance the bamba  
In order to dance the bamba  
You need a bit of grace  
A bit of grace  
For you I will be  
for you I will be

I'm not a sailor  
I'm not a sailor  
I'm captain  
I'm captain

Dance the bamba  
Dance the bamba  
no, no, no  
Dance the bamba  
Dance the bamba

In order to dance the bamba  
In order to dance the bamba  
You need a bit of grace  
A bit of grace  
For you I will be  
for you I will be

Dance the bamba, hey  
Dance the bamba  
no, no, no  
Dance the bamba  
Dance the bamba
