Yo, yo, yo
Untouchable. Spreading Jedi Thuganomics.
Now I got my padawan learner.
You're about to feel the burner.
Cut the beat!
Latino Heat, why do you want to continue this feud?
I got you crapping in your pants just like Mexican food.
I see fear in your face bro. You're worthless like the
Peso.
I eat you like some chips that's been covered in Con
Queso.
I beat jobless, go back to bein' a car jacker.
Agaist me you are going to choke like the Packers.
I'm right here in Green Bay, you get auctioned on e-
bay.
My flow is so hot you got to keep the instant replay.
Untouchable clique and we are standing tall.
You are eliminated first like fat chicks in dodge ball.
We got to heavy metal shows just to fit in the most pit.
My dogg will eat you alive, You'll end up dog
shhhhhhhhhhhfâçâ, -Ã,Â
