Josh Matthews ran into John Cena. Oh Hell Yeah. It's
time for a little Thuganomics!!
Save your breath kid, I'm here for a reason
My target is Brock Lesnar and it's hunting season
Tonight I teach Brock a lesson like Mr. Miyagi did
But he's not Daniel LaRusso and this ain't the Karate Kid
Yeah my pants are sagging 'cause I've been working
my ass off
Tonight I'll put the 'wax on' to a kid that whacks off
I'm more of a threat to you Brock than nuclear fallout
Tonight's the night the Next Big Thing gets called out
World life, son!
The man is a God Damn Genius!!
