Next week my chances of winning..
Are slimmer than a busload of anorexic women.
Undertaker, he should be in the Hall of Fame,
But I never give up man, that's why they play the game.
Like Hugh Hefner on Viagra bro, I ain't back down,
Anything can happen on any given Smackdown.
Deadman make me famous? I'm gonna undertake him,
I ain't behind the eight ball dude, I rack 'em and break
'em!
I'll shock the world and make the Deadman fall,
And leave him like a clear pool table, with no balls!
