Don't you ever tell me who I can and can't respect!  
You'll wind up in surgery, with another broken neck.  
At least you're all set when you get your release,  
If you ever go broke, rent the space between your  
teeth.  
Oh, you don't like what I'm saying? I don't care if you  
get flipped off,  
Don't ever judge me dude, you just a Dynamite rip off.  
Yo, you's a rabid wolverine but you're missing a fang,  
I tie strings to acorns, so I can let my nuts hang.  
You ready to settle this? Then come on out here and  
fight me,  
I ain't allergic to your rabies dog, come on out and bit  
me!  
Word life!
