I would die for you
I would die for you
I've been dying just to feel you by my side, to know that
you're mine
I would cry for you
I would cry for you
I will wash away your pain with all my tears, and drown
your fears
I will pray for you
I will pray for you,
I will sell my soul for something pure and true,
someone like you
See your face every place that I walk in
Hear your voice every time that I'm talkin'
You will believe in me, and I will never be ignored
I will burn for you
Feel pain for you
I will twist the knife and bleed my aching heart, and
tear it apart
I will lie for you
Beg and steal for you
I will crawl on hands and knees until you see, you're
just like me
Violate all the love that I'm missin'
Throw away all the pain that I'm livin'
You will believe in me, and I can never be ignored
I would die for you
I would kill for you
I will steal for you
I'd do time for you
I will wait for you
I'd make room for you
I'd sink ships for you,
Take the cross for you
Make me a part of you
Because I believe in you
I believe in you
I would die for you
